Twice weekly, always on weekends are the dog trainings in Kiskőrös! Nowadays visit 30 dogs and owners active and enthusiastic the lessons.

Welcome to our website all my foreign visitors with dog, and without dog!

In my childhood I always wished to have my own dog. At the age of seven I bought my first puppy from my pocket money, and it lived with my family for 11 years. During the time we spent together it motivated me more and more to get great knowledge about the training and the breeding of dogs. I have become member of the largest organizations of Hungary, like Hungarian Kennel Club (MEOE), Hungarian German Shepherd Club (MNJK), Hungarian Work-Dog Sport Club (OMSE), Hunnia-Rex German Shepherd Club (HNJE) and Protection Services Sport Commission.

I have taken exams at all of the organizations as training leader and guarding-protection helper. I had the opportunity to learn from all the great trainers of the country, and I still can count on them. I also take part in all the courses. Since in my region there was no possibility to train the dogs, and pick their brains, establishing a good club, a real "dog paradise" became my aim. I started in the year of 1996 and in 1997 I made our Dog school. Since then we prepare our dogs for dog shows, körungs, exams and competitions.

We participate in numerous events in dog shows, protection utilities, where we keep clear of the dog accident. We try mostly for young children and older people to prove that a trained dog never make on accident.

I would like to make the best of the German shepherds, but our school does not make any difference. All of the species and mixtures are active members and examinees. My target is to back up the people, who do their best for their pets. Come rain come sun the Dog school Kiskőrös is open for the real "dog-lovers".

I would like to say goodbye with our first slogan:
"Your dog is as clever as much you care for it!" /Ali/

Hopefully you will enjoy watching our pictures (under KÉPEINK) that should make an impression of a real "dog-fan"! Contact: ali@alikutyasuli.hu
